

Mice. Ergonomics Product Catalogue

The office equipment identified in this online catalogue are intended to provide information about products available for purchase. The UBC Ergonomics Program does not necessarily endorse or classify any piece of equipment as superior to other equipment; whether you will benefit from specialized equipment depends on personal factors, workstation layout and task demands. Please review our [online office ergonomic resources](#).

Please note that prices may vary and the posted prices in this catalogue should only be used as an approximation for budgeting. Taxes and installation (if applicable) are not included in the prices.
