Such notification shall include the employee's name, department, full-time or part-time status, and continuing, sessional or temporary status. In the case of layoff or internal placement, Article 34.04 shall take precedence. 5.04 Reductions in the Workforce

An employee's workload will not be increased beyond a normal workload expected of an employee in a regular work day as a result of layoff, attrition, suspension, discharge, resignation, vacations, leaves or changes in the University's procedures or methods of operation.

5.05 Contracting Out

It is agreed between the parties that this Article shall prevail over other provisions or articles of the Collective Agreement, Letters of Understanding, any other ancillary documents, or practices.

- (2) UBC does not have employees who regularly perform such work or are skilled in such work and where such jobs will not be required on a continuing basis.
- (3) Emergency situations.
- (4) Routine contracting out of secretarial/clerical work in accordance with Article 5.07, and routine contracting out of printing will be reported to the Union by UBC on a monthly basis.

In the above noted circumstances, no employee shall be laid off, suffer a reduction in classification (**benchmark cluster, single benchmark or unique job**), or have recall withheld because of contracting out.

UBC will inform the Union of all other contracting out of bargaining unit work in advance, or within one (1) day in emergency situations. Pertinent details will be supplied upon request. Upon request by either party, the subject of contracting out may be referred to the process set out in the Letter of Agreement at page 51.

5.06 Bargaining Unit Work

Persons not employed within the bargaining unit shall not do the work of employees within the bargaining unit except when mutually agreed between the University and the Union. It is recognized, however, that both bargaining unit and non-bargaining unit employees may perform the same tasks in meeting their respective responsibilities.

5.07 Temporary Work

- (A) Except as noted below, temporary work assignments at the University may be performed for up to three (3) months of a vacancy, or longer by agreement between the parties, or for leaves of absence or maternity leaves where such vacancies cannot be filled through temporary promotion by:
 - (i) continuing full-time employees employed for temporary assignment as defined in Article 3.02;
 - (ii) ongoing UBC Staff Finders hourly employees, as defined in Article 3.04;
 - (iii) temporary employees as defined in Article 3.05; and

- (iv) non-employees performing contracted-out bargaining unit work normally performed by employees, but limited to vacancies of six (6) weeks or less, unless set or extended for a longer period by mutual agreement of the parties.
- (B) The total annual number of continuing full-time employees employed for temporary assignment, temporary employees, and non-employees temporarily performing contracted-out bargaining unit work normally performed by employees, who are on actual temporary assignment shall not exceed 5.5% of the total number of members in the bargaining unit (excluding continuing employees employed for temporary assignment) calculated on January 1st of each year.
- (C) As part of the 5.5% mentioned above, the University shall undertake in good faith to attain a minimum number of ongoing UBC Staff Finders employees employed for temporary assignment at 1% and the minimum number of continuing full-time employees employed directly by departments for temporary assignment at 0.5%, of the total number of members in the bargaining unit calculated on January 1st of each year. The University will make every reasonable effort to maintain the minimum at 1.5%, and at no time shall the number fall below 1%.
- (D) The University will make every reasonable effort to employ bargaining unit members for temporary assignments. If the 5.5% mentioned above cannot be filled by bargaining unit members, the maximum number of non-employees temporarily performing contracted out bargaining unit work normally performed by employees shall not exceed 1% of the total number of members in the bargaining unit (excluding continuing employees employed for temporary assignment) calculated on January 1st each year. The University will endeavour in good faith to reduce this 1.0% to .75% during the term of this Agreement while maintaining the viability of UBC Staff Finders operations.
- (E) All percentages refer to full-time equivalents. The numbers used shall be calculated monthly and reported to the Union. The total annual number used shall be calculated for each year and reported to the Union no later than January 31st of the following year.

7.02 Full-Time Leave of Absence

A leave of absence without pay shall be granted upon request to any employee who has been elected or selected to a full-time office or position in the Union, in the Union's Provincial Association or in any other body in which the Union maintains membership or affiliate status. Any employee so elected or selected must give one (1) month's notice to the University. Seniority shall accumulate during such employee's leave of absence of up to two (2) years (in the case of the Union's President, four (4) years) but not longer. The employee shall also be allowed to continue with all the University's Benefit

Plans and the employee shall pay the full premium of these plans. When the leave of absence has a term of two (2) years (in the case of the Union's President, four (4) years) or less, the employee shall be returned to her/his former position with the University. When the leave of absence exceeds two (2) years (in the case of the Union's President, four (4) years), the employee shall be placed in the coincidental vacancy of her/his choice in her/his former classification (**benchmark cluster, single benchmark or unique job**), or where no coincidental vacancy exists, shall invoke the provisions for internal placement.

- (A) After thirty (30) days notice in the case of steward seminars at which thirty (30) employees or more are to attend during their regular working hours.
- (B) After five (5) days notice in the case of emergency situations. It is understood that emergency situations may arise in which the Union would be unable to give a full five (5) days notice. A request for leave to begin after less than five (5) full days notice will only be denied if the granting thereof would, due solely to the shortness of notice, result in undue disruption of the department concerned.
- (C) After ten (10) days notice in all other cases.
- (D) If, as a direct result of the granting of leave under (B) above, shift changes are required, the Union shall assume the premium pay costs required by Article 28.05 (C) (v).

The University agrees that, whenever possible, shift changes resulting from the granting of such leave shall be avoided.

7.04 Union Orientation

The University agrees that **all new employees shall be allowed time off from work with pay to attend a one (1) hour orientation session with the Union.** Up to two (2) Union representatives shall **also be allowed time off work with pay to conduct the Union orientation session.**

The Department must ensure that a new employee **is permitted to attend the Union's regular orientation session, ideally within the first two (2) weeks of employment.**

7.05 Pay for Union Negotiators

The University will provide the Union with the following information the University has for each Union member:

- **personal and work telephone numbers;**
- **personal and work e-mail addresses;**
- **personal and work addresses; and,**
- **union seniority date, UBC hire date and gender information.**

The information is provided to the Union so it may meet its statutory obligations in administering the employment relationship and representing bargaining unit employees.

Personal information obtained from the University will not be disclosed by the Union to, or used on the behalf of, any third party, unless required by law.

ARTICLE 8 STEWARDS

8.01 Recognition

The University recognizes the stewards elected by the Union and shall not discriminate against such stewards for carrying out duties proper to that position.

8.02 Meeting the University

When the University wishes to discuss dissatisfaction with the work of an employee which may lead to disciplinary action, the employee shall be accompanied by a steward.

When an employee wishes to initiate discussion with the University regarding a potential grievance, the employee shall be accompanied by a steward.

8.03 No Loss of Pay

Stewards shall have the right to investigate and process grievances and to perform other duties proper to their position during regular working hours, without loss of pay. It is further agreed that there will be no undue disruption of work, and the steward shall not leave work during regular working hours without obtaining permission from her/his supervisor. Permission shall not be unreasonably withheld.

Provided the Steward and her/his supervisor have attempted to resolve the dispute before a grievance is filed, grievances under this Article shall begin at Step 2 of the grievance procedure.

8.04 Notification by the Union

The Union shall regularly notify the University, in writing, of the names of its Local Executive, Stewards, Grievance Committee and Contract Committee.

ARTICLE 9

9.02 Personal Rights

The University and its representatives agree that the rules, regulations and requirements shall be limited to matters pertaining to the work required of each employee and shall be applied without discrimination. Employees will not be required to do any work of a personal nature for the employer or representatives of the employer. The employees agree that they will not act in any way which would interfere with the normal work requirements.

9.03 Trade Union Activity

The University will not discriminate against any employee because of union membership or union activity or for the exercise of rights provided for in this agreement.

9.04 Respectful Environment

The University and the Union recognize the right of employees to work in a **respectful** environment free from **bullying** and harassment. The University shall investigate and take appropriate action when an employee complains that she/he has been **bullied** or harassed in the course of her/his employment by a supervisor or another member of the University community. When an employee has made such a complaint, she/he may request temporary reassignment. Such a request shall not be unreasonably denied. The employee shall have recourse to the Grievance Procedure. Grievances under this article shall start at Step 3 and shall be treated in strict confidence.

ARTICLE 10

UNION MEETINGS

10.01

The University agrees to allow nine (9) two-hour lunch meetings (12:30 to 2:30) in each twelve (12) month period of the Collective Agreement. The Union may arrange when meetings are to be held provided at least ten (10) days advance notice is given.

ARTICLE 11

MANAGEMENT RIGHTS

11.01

The Management and direction of the working force is vested exclusively in the University subject to the terms of this agreement. Management rights shall be exercised in good faith, reasonably and in a non-discriminatory manner.

11.02 Respectful use of Managerial/Supervisory Authority (i.e. outside bargaining unit)

Definition

Employees have the right to work in an environment of respect for the dignity and worth of all employees. The parties are committed to early identification and prompt resolution of workplace conflicts in order to implement fully the general purpose of this agreement set out in Article 1.01.

Inappropriate use of managerial/supervisory authority (i.e. outside bargaining unit) takes place when a person who supervises or is in a position of authority exercises that authority in a manner which serves no legitimate work purpose and which ought reasonably be known to be inappropriate.

Inappropriate use of managerial/supervisory authority (i.e. outside bargaining unit) does not include action occasioned through the exercise, in good faith, of the University's managerial/supervisory rights and responsibilities, including disciplinary action or conduct which does not interfere with an environment of respect for employees. Nor does it include a single incident of a minor nature where the harm, by any objective standard, is minimal.

Where an allegation is based on a matter which is being pursued by the Union in another forum, this process shall not be used. This clause is not intended to abridge an individual employee's right to legal remedies available to her/him outside the Collective Agreement.

Procedures

- (A) An allegation of inappropriate use of managerial/supervisory authority shall go directly to Step 2 of the grievance procedure unless the Department Head or designate is directly involved in the matter, in which case it shall go to Step 3.
- (B) If the allegation is not resolved at Step 2 or Step 3 of the grievance procedure, the Union shall have ten (10) working days to advance the matter to expedited arbitration.
- (C) The arbitrator may:
 - (i) attempt to mediate a resolution
 - (ii) make findings of fact
 - (ii) render a decision about the alleged inappropriate use of managerial/supervisory authority
 - (iv) dismiss the complaint
 - (v) order a remedy she/he finds just and reasonable.

The arbitrator's decision shall be final and binding, without precedent or prejudice, and consistent with the terms of the collective agreement.

Where the complaint is found to be frivolous, vindictive or vexatious, the University may take appropriate action, including discipline.

ARTICLE 13

GENERAL

13.01 Official University Closure

Should the University, or an area of the University, be officially closed temporarily due to environmental conditions, utility disruptions, road conditions, or other reasons beyond the control of the employees covered by this Agreement, employees shall receive their regular salary during the closure. (These closures shall not be considered a Special Holiday as in Article 26).

In the case of an area of the University being closed, and where alternate work is available in another area or department of the University, it is understood and agreed that the employee shall be informed if she/he is to be temporarily reassigned to that area or department (subject to Article 22.09 - Transfer Outside the Bargaining Unit).

The University shall permit the Union to book University rooms through Student Services for business meetings of the Union.

13.06 Community Facilities

13.08 Taxi Vouchers

Employees will normally be responsible for providing their own transportation to and from the University.

Whereas employees may find difficulties in transportation at night, it is agreed that taxi vouchers will be provided, on the individual's request, to employees required to work after 11:00 p.m. or before 6:00 a.m.

13.09 Staff Rooms and Facilities

TECHNOLOGICAL, AUTOMATION AND OTHER CHANGES

19.01 Purpose

The purpose of the following provisions is to preserve job security and to provide training and/or other opportunities to employees affected by technological change.

19.02 Definition

An employee shall be considered displaced by technological change when her/his services become redundant or are no longer required in the same capacity, as a result of change in University procedures or equipment, or a change in process or method of operation which may diminish the total number of employees required to operate the department **or faculty** concerned.

An employee shall also be considered displaced by technological change when his/her position is permanently moved to a different campus or hospital site.

19.03 Changes - Not Technological

Changes in the demands for services or programmes over which the University has no control and which lead to the displacement of employees, shall not be considered technological changes, but shall be subject to Article 34 (Employment Security).

19.04 Notice of Intent, Layoff or Internal Placement

- (A) Before such changes (as outlined in Article 19.02) can come into effect, the University shall provide the Union and the employee(s) affected with at least three (3) months notice of intent to introduce automation, equipment or procedures which might result in displacement of or a reduction in employees or in changes in employees' job classification (**benchmark cluster, single benchmark or unique job**). Such notice of intent will include details pertinent to such changes. After expiry of the three (3) months' notice period, the University shall implement the proposed changes. If at the end of three (3) months these changes have not been implemented, the University shall submit to the Union and the employee(s) affected, a progress report on the status of such changes, with further update reports at three (3) month intervals.
- (B) The University shall give three (3) months' written working notice or pay in lieu to employees who have been displaced or are no longer required in the same capacity as a result of technological change.
- (C) Internal placement may take place if a position becomes available during the notice period pursuant to Article 19.05

19.05 Retraining

- (A) Employees who have become redundant, displaced (as described in Article 19.02), or who have received notice of layoff due to technological change, shall be eligible for retraining to equip them for the operation of such new equipment and procedures resulting from the technological change. Such retraining shall occur during working hours at the University's expense. Eligibility for retraining shall be based on the employee's capability to perform the duties of the new position within a three month training period. If an employee has such capabilities, retraining must be offered. An employee who is offered retraining shall inform the Human Resources Department in writing within one (1) month of receiving notice whether she/he intends to accept retraining.
- (B) If an employee is offered and chooses not to accept such retraining, the internal placement/layoff procedure as set out in Articles 34 and 22.10 shall be followed.
- (C) If the reorganization results in a notice of layoff, the employee will be entitled to:

- (i) placement, upon request, into a coincidentally vacant position in the same paygrade, provided that the employee has the qualifications and skills to meet the requirements of the position after a three (3) month on-the-job training period; or
 - (ii) placement, upon request, into a coincidentally vacant position in a lower pay grade, should the employee not be qualified for a vacant position in the same pay grade, provided that she/he has the qualifications and skills to meet the requirements of the lower pay grade position after a three (3) month on-the-job training period; and

 - (iv) retraining, both on and off the job, in order to acquire the skills necessary for eventual return to a position in the original pay grade. Such retraining shall only take place when the employee's original job classification (**benchmark cluster, single benchmark or unique job**) has been, or is being, totally discontinued at the University. The form of this retraining shall be agreed upon between the Union and the University, and the cost borne by the University.
- (D) If an employee does not succeed in placing into a vacant position during the three (3) month notice period, the employee is entitled to elect one of the following options, by use of procedures in Article 34:
- (i) displace (bump) the junior continuing employee in the original classification (**benchmark cluster, single benchmark or unique job**), by informing the Human Resources Department in writing of this intent within two (2) months of receiving written notice of layoff, provided the employee has the qualifications and skills to meet the requirements of the new position after a three (3) month on-the-job training period; or
 - (ii) terminate employment with severance pay; or
 - (iii) accept layoff with recall rights to the original classification (**benchmark cluster, single benchmark or unique job**) for one (1) year (if the classification (**benchmark cluster, single benchmark, or unique job**) has not been discontinued at the University), provided the employee has qualifications and skills to meet the requirements of the new positions after a three (3) month on-the-job training period.

19.06 Placement Umpire

A grievance under this Article shall begin at Step 3 of the grievance procedure and, failing resolution, and notwithstanding Articles 35.04 (A) and (C), shall forthwith proceed to the Placement Umpire for final and binding resolution. An employee refusing to proceed shall immediately report the circumstances of the unsafe condition to her/his supervisor for investigation. If the employee is still dissatisfied, further investigations, in accordance with WorkSafe BC's Occupational Health & Safety Regulation (OHSR) shall be undertaken. No employee shall be subject to disciplinary action provided she/he has acted in compliance with this clause, OHSR or an order made by an officer of the Board.

When an employee refuses to carry out any work procedure or operate any equipment under this Article, no other employee may be asked to perform the work without being advised that a potential safety concern has been raised.

If the operation of a department is suspended due to the application of this Article, employees may be temporarily reassigned outside the department without loss of pay, provided no other employee is displaced as a result. ARTICLE 31

JOB DESCRIPTION, JOB EVALUATION, RECLASSIFICATION AND MISCLASSIFICATION

31.01 Job Security Provision

The term classification throughout the collective agreement is defined to mean a benchmark cluster, single benchmark, or unique job.

For the purpose of job security provisions, classification means the benchmark cluster that contains the benchmark that the employee's position is matched to.

A number of benchmarks do not fall into a benchmark cluster. For the purpose of job security provisions, classification means the single benchmark that the employee's position is matched to and not a cluster.

A number of positions do not fall into a benchmark cluster or a single benchmark. For the purpose of job security provisions, classification means unique job that the employee's position is matched to.

When exercising their rights an employee does so at the base level of the benchmark cluster, single benchmark or unique job irrespective of the level of supervision and second language attached to either the position that an employee came from, or the position for which the employee is exercising their rights.

The parties may agree on a case-by-case basis to allow employees to place or be recalled into a suitable vacancy outside of an employee's benchmark cluster, single benchmark, or unique job.

31.02 New Benchmarks

A benchmark classification system with an underlying point factor plan is utilized to classify jobs.

The Employer is responsible for developing new benchmarks.

When a new benchmark is developed, the Employer will evaluate the benchmark using the point factor plan, and will assign a pay grade. The Employer will provide new benchmarks to the Union for the purpose of reviewing the job evaluation points and pay grade. The Union has thirty (30) days to object to the job evaluation points and/or pay grade. In the case of objection, the parties will engage in discussions and attempt to resolve the matter. Where the Employer and Union can't resolve the dispute over job evaluation points and/or pay grade, the matter may be referred to an arbitrator for expedited arbitration, in accordance with Article 31.04.

31.03 Revised Benchmarks

The Employer is responsible for updating and maintaining benchmarks. Changes to benchmarks may or may not result in a change in job evaluation points and pay grade.

When a benchmark is revised, the Employer will evaluate the benchmark using the point factor plan, and will assign a pay grade. The Employer will provide revised benchmarks to the Union for the purpose of reviewing the job evaluation points and pay grade. The Union has thirty (30) days to object to the job evaluation points and/or pay grade. In the case of objection, the parties will engage in discussions and attempt to resolve the matter. Where the Employer and Union can't resolve the dispute over job evaluation points and/or pay grade, the matter may be referred to an arbitrator for expedited arbitration, in accordance with Article 31.04.

31.04 Expedited Arbitration – Resolution of Job Evaluation Points and/or Pay Grades

Where the Employer and Union can't resolve a dispute over job evaluation points and/or pay grade for a new or revised benchmark, or for a unique job, the matter may be referred to an arbitrator that is mutually agreed to by the parties, for resolution through an expedited arbitration process.

- (A) A case management meeting shall occur between the parties prior to the expedited arbitration. The parties shall agree on as many facts of the case as possible.
- (B) The parties will brief the arbitrator on the outcome of the case management meeting prior to the arbitration. Based on the case management meeting the arbitrator will provide direction to the parties about the type of witnesses and documentation that should be included in the expedited arbitration.
- (C) The expedited arbitration will not include formal evidence or formal witness testimony. Informal inclusion of witnesses and argument are limited to those required to provide relevant information, as determined by the arbitrator.
- (D) The arbitrator will make a determination based on the point factor plan. The evaluation and pay grades of existing benchmarks only will be used as comparators.
- (E) The arbitrator does not have jurisdiction to create new factors, factor “degrees”/levels, pay rates, and/or pay grades that are not already part of the existing job evaluation plan.
- (F) The decision of the arbitrator is final and binding, and is on a without prejudice and without precedence basis.
- (G) Arbitration costs will be equally shared by the parties.

31.05 Job Description

A job description will be developed by the department head (or designate) for each position in the department. Job descriptions will outline the responsibilities, qualifications, and duties to be performed by the incumbent.

31.06 Classification/Evaluation of Jobs

- (A) The Employer is responsible for classifying/evaluating jobs. Jobs are classified to benchmarks based on “best fit”; that is, the job is classified to the benchmark where the scope and level of the job are a “best fit” with the scope and level definition outlined on the benchmark. It is recognized that benchmarks are not “watertight compartments”, and that there is overlap across benchmarks. The best fit with the scope and level definition is determinative, and the other elements of the benchmark provide guidance.
- (B) The Employer will evaluate jobs that are unique in nature, and that are not a “best fit” with any benchmark, against the point factor plan that underlies the benchmarks, and will assign the jobs to pay grades based on the point factor scores.

The Employer will provide a copy of evaluated unique jobs to the Union for the purpose of reviewing the job evaluation points and pay grade. The Union has thirty (30) days to object to the job evaluation points and/or pay grade. In the case of objection, the parties will engage in discussions and attempt to resolve the matter. Where the Employer and Union can’t resolve the dispute over job evaluation points and/or pay grade, the matter may be referred to an arbitrator for expedited arbitration, in accordance with Article 31.04.

- (C) Jobs that are a “best fit” with two or more benchmarks (i.e., where the job performs a substantive amount of the scope and level of two or more benchmarks) will be classified to the benchmark that is at the higher pay grade.
- (D) If the union has concerns about the classification of a job, they may request that the Total Compensation unit of the Human Resources department conduct a review.
- (E) The Total Compensation unit may audit job classifications and make adjustments as required.

31.07 Reclassification Requests

If an employee who has completed his/her probationary/orientation period believes that his/her job is incorrectly classified, he/she should submit a request to his/her manager for a review of the job classification. The request must be made on the designated form, and must include the reasons the employee believes that his/her job is inappropriately classified. Upon receipt of a reclassification request, the manager shall review the job classification in accordance with Article 31.06 above, and will attempt to resolve the matter if the manager believes there is merit to the request.

If the matter is not resolved, the employee may submit a formal request for reclassification. A minimum of six (6) months must elapse between each reclassification request.

- (A) The request must be made on the designated form and submitted to the Total Compensation unit, who will provide a copy to the Union and the department head (or designate). The request should be accompanied by a job description.
- (B) Where the Total Compensation unit determines that it will add value to the process, they will interview the employee and/or the department head (or designate). In such circumstances, at the request of the employee a Union steward shall be present at the interview.

- (C) The employee and department head (or designate) shall be notified of the results of the reclassification request by letter (including rationale), with a copy to the Union, within twelve (12) weeks of the date that the Total Compensation unit received all required information on the reclassification request forms, including the form that the employee's manager must complete.
- (D) If the employee is not satisfied with the outcome, she/he shall have the right to appeal the decision, pursuant to Article 31.08.
- (E) If an employee's position is reclassified, that employee shall not be required to serve a new probationary or orientation period.

31.08 Appeal Process – Appeal of the Outcome of a Reclassification Request

If an employee is not satisfied with the outcome of the reclassification request, she/he may appeal through the following process:

- (A) Within thirty (30) days of receipt of the results of their reclassification request, the employee must notify the Total Compensation unit in writing of their desire to appeal the decision.
- (B) A Joint Appeal Committee (JAC) will attempt to resolve the appeal. Quorum for the JAC is two individuals representing the Union and two individuals representing the University. Neither party shall have more than two representatives. Where the Union's committee and the University's committee agree, the appeal is resolved. By arrangement with her/his supervisor, the Union's appointed JAC member shall be permitted the necessary time off without loss of pay or benefits to attend the JAC meeting. In accordance with the practice of article 8.04 of the Collective Agreement, the Union and the University shall notify each other, in writing, of the names of their appointed representatives to the JAC.
- (C) Appeals not resolved by the Joint Appeal Committee may be referred by either party to an arbitrator that is mutually agreed to by the parties for resolution under an expedited arbitration process.
- (D) A case management meeting shall occur between the parties prior to the expedited arbitration. The parties shall agree on as many facts of the case as possible.
- (E) The parties will brief the arbitrator on the outcome of the case management meeting prior to the arbitration. Based on the case management meeting the arbitrator will provide direction to the parties about the type of witnesses and documentation that should be included in the expedited arbitration.
- (F) The expedited arbitration will not include formal evidence or formal witness testimony. Informal inclusion of witnesses and argument are limited to those required to provide relevant information, as determined by the arbitrator.
- (G) The arbitrator will make a determination based on the "best fit" of the job to a benchmark. Where the job is not a good fit with any of the existing benchmarks, the arbitrator may assign the job to a pay grade based on applying the point factor plan, in which case the evaluation and pay grades of existing benchmarks only will be used as comparators.
- (H) The arbitrator does not have jurisdiction to create new factors, factor "degrees"/levels, pay rates, and/or new pay grades that are not already part of the existing job evaluation plan.
- (I) The decision of the arbitrator is final and binding, and is on a without prejudice and without precedence basis.
- (J) Arbitration costs will be equally shared by the parties.

31.09 Wage Increase Awarded Through Reclassification

- (A) A wage increase awarded as a result of reclassification shall be retroactive to the date of change of job duties to a maximum of twenty-one (21) months **prior to the date of the written reclassification request**, or when no date can be established, retroactive to the date of the written reclassification request **itself**. The employee shall be placed on the step in the pay grade that ensures an increase in monthly salary of at least fifty dollars (\$50.00), where possible.
- (B) Where the job does not entail new job duties, and has been misclassified since date of hire, the employee shall be placed on the same step in the appropriate pay grade as she/he was on in the original pay grade, and shall receive full pay rate adjustment retroactive to date of hire, to a maximum of twenty-one (21) months.

(Months are determined by multiplying the number of hours in the work week by fifty-two (52) and dividing by twelve (12). This definition of month to apply to the computation of seniority only.)

32.03 Accrual of Seniority

- (A) Seniority shall accrue from the first day of employment, and shall continue to accrue except as stated otherwise in Articles 7.02, 32.04 and 32.06.

- (C) Seniority for Winter Sessional employees shall be maintained but not accrued during the Inter/Summer Session. Seniority for Inter/Summer Sessional employees shall be maintained but not accrued during the Winter Session.

32.05 No Loss of Seniority

An employee shall not suffer loss of seniority for any of the following reasons: unjust discharge, layoff, promotion, demotion, transfer, reclassification, compulsory military service, vacation or any recognized leave.

32.06 Loss of Seniority

An employee will lose seniority rights if she/he fails to acknowledge notice of recall within five (5) working days of recall, fails to report for work having been given at least ten (10) working days notice or if she/he resigns, retires, takes a position with the University outside the bargaining unit for a period longer than six (6) months, or is discharged for just cause.

ARTICLE 33

DISCHARGE, SUSPENSION, DISCIPLINARY ACTION AND RESIGNATION

33.01 Definitions (for the purposes of this Article)

- (A) Discharge - the involuntary ending of employment.
- (B) Suspension - a disciplinary action on the part of the University.
- (C) Resignation - the voluntary ending of employment by the employee.

33.02 Suspension

The University may suspend any employee for just cause subject to Article 35 (Grievance and Arbitration Procedure). Upon taking of its decision, the University will immediately send to the employee concerned, with a copy to the Union, a letter giving written notification of and reasons for the suspension. All suspended employees shall be returned to their former positions.

33.03 Discharge

- (A) The University may discharge any employee for just cause, subject to Article 35 (Grievance and Arbitration Procedure).
- (B) A written list of all reasons for discharge must accompany notifications of discharge to the employee and the Union.

33.04 Proof of Just Cause

In all cases of suspension or discharge or other disciplinary actions, the burden of proof of just cause shall rest with the University. In the case of a probationary employee, just cause shall include failure to display sufficient ability to perform the job satisfactorily.

33.05 Reinstatement for Unjust Discharge

If, as a result of the grievance procedure, it is found that an employee has been discharged for unjust cause, that employee will be reinstated to her/his former position, or one of equal salary range, without loss of seniority or benefits, and shall be compensated by the University for all time lost retroactive to the date of discharge or suspension.

33.06 Disciplinary Action/Employee Files

Any written censures, letters of reprimand and adverse reports shall be removed from the employee's file and destroyed by the employee concerned in the presence of both parties after the expiration of twenty-four (24) months from the date it was issued, provided there has been no further infraction. The University agrees not to introduce as evidence in any hearing any document from any file of an employee, the existence of which the employee was unaware at the time of filing.

Any employee wishing to have her/his Performance Appraisal removed from her/his employee file (and destroyed by the employee concerned) after the expiration of 24 months from the date it was issued, shall have such request honoured provided that similar negative comments made in the Appraisal have not been repeated.

In the event that ten (10) or more working days written notice is given, the employee will be entitled to her/his outstanding vacation entitlement. In the event that less than ten (10) working days written notice is given, the employee will be entitled to 4% of gross earnings less any actual vacation she/he has taken, unless that employee has served five (5) continuous years of employment with the University, in which case 6% of gross earnings less any actual vacation taken will be paid. Vacation entitlements banked from the previous year shall be paid at the employee's full rate. An employee may rescind her/his resignation, in writing, without penalty up to three (3) working days after giving notice.

33.08 Vacation Entitlements

In case of discharge or resignation, the employee shall receive all vacation entitlements and salary due to the date of termination, except as provided in Articles 33.05 and 33.07.

ARTICLE 34

EMPLOYMENT SECURITY

34.01 General

No provision of Article 34 shall be construed so as to prevent any employee from changing her/his status (continuing, seasonal, temporary, part-time or full-time), by applying for and receiving a posted vacancy.

34.02 Definitions

- (A) Layoff - An involuntary cessation of employment due to: lack of work; reduction in or discontinuation of a function or program; or a change in process or method of operation which diminished the total number of employees required to operate the department.
- (B) Recall - the calling back of a laid-off employee to fill a vacant position within the bargaining unit.
- (C) Internal Placement - the placement of an employee whose position has been discontinued into another position:
1. of the same classification (**benchmark cluster, single benchmark or unique job**), or
 2. a lower classification (**benchmark cluster, single benchmark or unique job**) for which the employee has the required qualifications.

34.03 Full-Time and Part-Time Employees

- (A) A part-time employee shall not be placed or recalled into a full-time position.
- (B) A full-time employee shall not be placed into a part-time position or recalled to a part-time position unless she/he has requested to be listed on the part-time employees' recall list.

34.04 Internal Placement and Recall - Continuing Employees

(A) Notice

The University will give one (1) month's written notice or pay in lieu of notice of internal placement and layoff. Internal placement may take place if a position becomes available during the notice period.

Notice shall not coincide with the employee's vacation.

Subject to Articles 30.06 (E) and 7.02, if notice is given during the period an employee is on any approved leave of absence, the employee's internal placement rights will normally be deferred until the date the employee returns to work. However, if the employee notifies Human Resources in writing that she/he is prepared to begin the internal placement period during the leave of absence, the University will begin to send a copy of the job postings to the employee each week, and the internal placement period shall begin when the first job postings are received by the employee. The University will not send postings earlier than one month before the date the employee is scheduled to return to work. In the case of an employee returning to work from WCB leave, she/he shall be temporarily placed in a position with no loss of pay until the notice period expires.

- (B) (i) Internal Placement - During the period of notice, the employee on notice has the choice of internal placement into any vacancies occurring in her/his classification (**benchmark cluster, single benchmark or unique job**) and any vacancies in lower classifications (**benchmark cluster, single benchmark or unique job**) for which she/he has the necessary qualifications. In order to exercise her/his rights to these vacancies, the employee must notify the Human Resources Department in writing within seven days of publication of the job posting of a position into which she/he wishes to be placed. After the seven days have passed, the employee's right to internal placement into these vacancies is forfeited.

During the period of notice, employees may notify the Human Resources Department in writing of departments or Library divisions within which placements during the period of notice will not be accepted or that temporary placements will not be accepted. A part-time employee being laid off may notify the Human Resources Department in writing that she/he will not accept placement to positions which have more than 10% greater or more than 10% lesser hours per week than her/his current position. (For example, an employee who has been laid off from a 60% position may notify Human Resources that she/he will not be placed into a position that is either more than 70% part-time or less than 50% part-time.) In these cases, the Human Resources Department will not internally place the employees to such vacancies, and the employees will not forfeit seniority and recall rights by not having been placed into them.

If, within a year, a discontinued position is reinstated, the employee who was placed shall, upon request, be returned to that position. In this case, Article 22.08 (Orientation Period for Transfer and Promotion) shall not apply.

- (ii) During the period of notice, the Human Resources Department and the Union may agree that an employee will not be required to place into vacancies deemed unsuitable within her/his classification (**benchmark cluster, single benchmark or unique job**). In these cases, the employee will not forfeit displacement (bumping), seniority or recall rights.
- (C) Options - At the end of the notice period, the employee who has not been placed shall inform the Human Resources Department in writing of the option she/he has selected. Failure to select an option will result in the employee being placed on the recall list in accordance with 34.04(C)(iii) below.

If no vacancies in the employee's classification (**benchmark cluster, single benchmark or unique job**) occurred during the notice period, the following options are available:

- displacing the junior continuing employee in the classification (**benchmark cluster, single benchmark or unique job**),
- termination of employment with severance pay,
- layoff with recall rights for twelve (12) months.

However, if vacancies in the employee's classification (**benchmark cluster, single benchmark or unique job**) did occur during the notice period and were passed up by the employee, then the following options are available:

- termination of employment with severance pay;
- layoff with recall rights for twelve (12) months.

Selection of one option precludes selection of any other.

- (i) Displacing the junior continuing employee in the classification (**benchmark cluster, single benchmark or unique job**): the continuing employee with the least amount of seniority in the classification (**benchmark cluster, single benchmark or unique job**) is laid-off and the employee selecting this option is placed in the resulting vacancy. If the employee who elected to displace the junior continuing employee is unsuccessful in the placement according to the requirements of article 22.10 (B), then the employee will be provided layoff with recall rights for twelve (12) months in accordance with 34.04 (C) (iii) 2 through 13.
- (ii) Termination of employment with severance pay: the employee may choose to terminate employment with the University, forfeiting all seniority, and to receive severance pay in addition to the one month's notice already received as follows:
 - for completed service of three (3) months but less than one (1) year two (2) weeks pay;
 - for completed service of one (1) year up to and including three (3) years - three (3) weeks pay;
 - for each additional completed year of service, commencing at four (4) years, an additional week of pay to a maximum of twelve (12) weeks pay after twelve (12) years of service.
 - calculation of pay shall be based on the employee's average weekly wage in the last two (2) months worked, exclusive of any overtime pay.
- (iii) Layoff with recall rights for twelve (12) months:
 1. The University will give long-service employees who elect to be laid off additional notice or pay in lieu of notice as follows:
 - employees who have completed five (5) years service will receive one (1) additional week;
 - employees who have completed six (6) years service will receive two (2) additional weeks;
 - employees who have completed seven (7) years service will receive three (3) additional weeks;
 - employees who have completed eight (8) or more years service will receive four (4) additional weeks.
 2. During the period of recall, the Human Resources Department and the Union may agree that an employee will not be required to place into vacancies deemed unsuitable within her/his classification (**benchmark cluster, single benchmark or unique job**). In these cases, the employee will not forfeit seniority or recall rights.
 3. At the time of layoff, employees may notify the Human Resources Department in writing of departments or Library divisions within which placements through recall will not be accepted or that temporary placements will not be accepted. A part-time employee being laid off may notify the Human Resources Department in writing, during the period of notice or recall, that she/he will not accept internal placement or recall to positions which have more than 10% greater or more than 10% lesser hours per week than her/his current position. (For example, an employee who has been laid off from a 60% position may notify Human Resources that she/he will not accept recall to a position that is either more than 70% part-time or less than 50% part-time). In these cases, the Human Resources Department will not internally place or recall the employees to such vacancies, and the employees will not forfeit seniority and recall rights by not having been placed into or recalled to them.
 4. It is the responsibility of the employee on recall to keep the Human Resources Department informed of her/his address and telephone number.
 5. The University will maintain recall lists for full-time and part-time employees on layoff. A copy of the current recall lists will be sent to the Union by the fifteenth (15th) day of each month.

6. Laid-off employees shall be recalled from the recall list in order of seniority within classification (**benchmark cluster, single benchmark or unique job**), provided there is not a more senior employee on notice of internal placement.
7. Notice of recall shall normally be made by telephone. If no contact is made, notice shall be made by registered mail to the last address of the employee known by the University. The Union shall be notified by telephone of any recall.
8. Failure to acknowledge notice of recall within five (5) working days of recall or failure to report for work having been given at least ten (10) working days notice will result in forfeiture of seniority and recall rights.
9. If telephone recall to a position of ten (10) working days or less duration is not successful, an external applicant may be hired. In such case, the Union shall be notified immediately by telephone.
10. Recalled employees shall receive no less than their former salary plus any increments to which the employee has become entitled during the period on recall or by any change in the rate for that classification (**benchmark cluster, single benchmark or unique job**).
11. Employees recalled to a position other than that which they held prior to layoff shall be on an orientation period of three (3) months. If the employee finds the job unsatisfactory or is unable to meet the basic job requirements, she/he shall be returned to the recall list.
12. If, while awaiting recall, an employee chooses to apply for and obtains a position in another classification (**benchmark cluster, single benchmark or unique job**), she/he shall, upon request, remain on the recall list and shall be recalled, in turn, to a position in her/his original classification (**benchmark cluster, single benchmark or unique job**).
13. Part-time or full-time employees who have been laid off may, in addition to being listed on the recall lists, submit their names in writing to the Human Resources Department for work on an irregular basis. A copy of each request shall be sent to the Union office within five (5) working days of receipt of such request. Notice shall not apply to employees working under this section due to the short duration of each job.

34.05 Internal Placement and Recall - Sessional Employees

- (A) Notice - Sessional employees, at date of hire or recall, shall be assigned a termination date corresponding to the end of the appropriate session. Extensions beyond September in the case of summer sessional employees or beyond May in the case of winter sessional employees, or beyond an eight-month period in the case of admissions sessional employees in Student Services, may be granted only after agreement with the Union. The termination date serves as notice of layoff, and no other notice is required of the University. Sessional employees shall be laid off at termination date.

However, when positions are discontinued before the termination date, the University will give one (1) month's written notice of internal placement and layoff, unless less than one month remains in the appointment, in which case the employee will only receive notice up to the termination date. Internal placement may take place if a sessional position becomes available during the notice period. Notice shall not coincide with the employee's vacation.

In the event the University decides to discontinue a sessional position effective with the beginning of the following session, it shall inform the Union at the time the decision is made. In the case of Winter Sessional positions or admissions sessional positions in Student Services, this notice shall be given at least one (1) month prior to the beginning of the session.

- (B) (i) Internal Placement - During the period of notice, the employee on notice has the choice of internal placement into any sessional vacancies occurring in her/his classification (**benchmark cluster, single benchmark or unique job**) and any sessional vacancies in lower classifications (**benchmark cluster, single benchmark or unique job**) for which she/he has the necessary qualifications.

In order to exercise her/his rights to these vacancies, the employee must notify the Human Resources Department in writing within seven (7) days of publication of the job posting of a position in which she/he wishes to be placed. After the seven days have passed, the employee's right to internal placement into these vacancies is forfeited.

- (ii) During the period of notice, the Human Resources Department and the Union may agree that an employee will not be required to place into vacancies deemed unsuitable within her/his classification (**benchmark cluster, single benchmark or unique job**). In these cases, the employee will not forfeit seniority or recall rights

- (C) Options - At the end of the notice period, the employee who has not been placed shall inform the Human Resources Department in writing of the option she/he has selected. Failure to select an option will result in the employee being placed on the recall list in accordance with 34.05(C)(iii) below.

If no vacancies in the employee's classification (**benchmark cluster, single benchmark or unique job**) occurred during the notice period, the following options are available:

- displacing the junior sessional employee in the classification (**benchmark cluster, single benchmark or unique job**);
- termination of employment with severance pay;
- layoff with recall rights for sessional vacancies during the same session or sessional vacancies in the next such session, total duration of recall not to exceed twelve (12) months.

However, if vacancies in the employee's classification (**benchmark cluster, single benchmark or unique job**) did occur during the notice period and were passed up by the employee, then the following options are available:

- termination of employment with severance pay;
- layoff with recall rights for sessional vacancies during the same session or sessional vacancies in the next such session, total duration of recall rights not to exceed twelve (12) months.

Selection of one option precludes selection of any other.

- (i) Displacing the junior sessional employee in the classification (**benchmark cluster, single benchmark or unique job**): the sessional employee with the least amount of seniority in the classification (**benchmark cluster, single benchmark or unique job**) is laid-off and the employee selecting this option is placed into the resulting vacancy. If the employee who elected to displace the junior sessional employee is unsuccessful in the placement according to the requirements of article 22.10 (B), then the employee will be provided layoff with recall rights for twelve (12) months in accordance with 34.05 (C) (iii) 2 through 13.
- (ii) Termination of employment with severance pay: the employee may choose to terminate employment with the University, forfeiting all seniority, and receive severance pay in addition to the one month's notice already served as follows:
 - for completed service of three (3) months but less than one (1) year - two (2) weeks pay;
 - for completed service of one (1) year up to and including three (3) years - three (3) weeks pay;
 - for each additional completed year of service, commencing at four (4) years, an additional week of pay to a maximum of twelve (12) weeks pay after twelve (12) years service.
 - calculation of pay shall be based on the employee's average weekly wage in the last two (2) months worked, exclusive of any overtime pay.
- (iii) Layoff with recall rights for sessional vacancies in the same session or vacancies in the next such session, total duration of recall not to exceed twelve months:
 1. The University will give long-service employees who elect to be laid off additional notice or pay in lieu of notice as follows:
 - employees who have completed five (5) years service will receive one (1) additional week;
 - employees who have completed six (6) years service will receive two (2) additional weeks;
 - employees who have completed seven (7) years service will receive three (3) additional weeks;
 - employees who have completed eight (8) or more years service will receive four (4) additional weeks.
 2. During the period of recall, the Human Resources Department and the Union may agree that an employee will not be required to place into vacancies deemed unsuitable within her/his classification (**benchmark cluster, single benchmark or unique job**). In these cases, the employee will not forfeit seniority or recall rights.

3. At the time of layoff, employees may notify the Human Resources Department in writing of departments or Library divisions within which placements through recall will not be accepted or that temporary placements will not be accepted. In these cases, the Human Resources Department will not recall the employees to such vacancies, and the employees will not forfeit seniority and recall rights by not having been recalled to them.
4. Laid off employees shall be recalled from the recall list in order of seniority within classification (**benchmark cluster, single benchmark or unique job**), provided there is not a more senior sessional employee on notice of internal placement.
5. It is the responsibility of the employee on recall to keep the Human Resources Department informed of her/his address and telephone number.
6. The University will maintain recall lists for full-time and part-time employees on layoff. A copy of the current recall lists will be sent to the Union by the fifteenth (15th) of each month.
7. Notice of recall shall normally be made by telephone. If no contact is made, notice shall be made by registered mail to the last address of the employee known by the University. The Union shall be notified by telephone of any recall.
8. Failure to acknowledge notice of recall within five (5) working days of recall or failure to report for work having been given at least ten (10) working days notice will result in forfeiture of seniority and recall rights.
9. If telephone recall to a position of ten (10) working days or less duration is not successful, an external applicant may be hired. In such case, the Union shall be notified immediately by telephone.
10. At the beginning of their session, sessional employees shall be recalled on the basis of seniority if they have not accepted a continuing position that begins during that session. Eligible sessional employees shall be recalled to their original positions, providing they have sufficient seniority. In the event an employee's former position has been discontinued, she/he shall be recalled to another vacant position in the same classification (**benchmark cluster, single benchmark or unique job**). Sessional employees not recalled as a result of insufficient seniority shall remain on the recall list.
11. Recalled employees shall receive no less than their former salary plus any increments to which they have become entitled during the period on recall or by any change in rate for that classification (**benchmark cluster, single benchmark or unique job**).
12. Employees recalled to a position other than that which they held prior to layoff shall be on an orientation period of three (3) months. If the employee finds the job unsatisfactory or is unable to meet the basic job requirements, she/he shall be returned to the recall list.
13. Sessional employees who have been laid-off may, in addition to being listed on the sessional recall list, submit their names to the Human Resources Department for work on an irregular basis. A copy of each request shall be sent to the Union office within five (5) working days of receipt of such request. Notice shall not apply to employees working under this section due to the short duration of each job.

34.06 Internal Placement and Recall - Temporary Employees

- (A) Notice - A temporary employee shall, at date of hire or recall, be assigned a termination date which is normally less than three (3) calendar months from date of hire or recall, except by mutual agreement of the parties or to fill vacancies resulting from leaves of absence or maternity leaves where such positions cannot be filled through temporary promotion. The termination date serves as notice of layoff and no other notice is required of the University. Temporary employees shall be laid off at termination date. However, when the position of a temporary employee is discontinued before the termination date, the University will give the temporary employee two (2) weeks notice or two weeks pay in lieu of notice, unless less than two (2) weeks remain in the appointment, in which case the employee will only receive notice up to the termination date.
- (B) Recall - The University will maintain recall lists for temporary employees on layoff. A copy of the current recall lists will be sent to the Union by the fifteenth (15th) of each month.

When a temporary employee reaches her/his termination date and no temporary vacancy is available, the employee shall be laid off and placed on the recall list.

At the end of each assignment, temporary employees shall be recalled in order of seniority to temporary assignments within their classifications (**benchmark cluster, single benchmark or unique job**) provided they meet the qualification requirements of the positions.

Employees who are hired directly by a department for an assignment of less than three months (including any mutually agreed extensions or re-appointments to the same position) will not be eligible at the end of the assignment to be recalled to UBC Staff Finders.

Employees who are hired directly by a department to fill vacancies of three (3) months or more will at the end of their assignment be eligible for right of recall to UBC Staff Finders as a Human Resources Administration Clerk 1. If a temporary employee refuses recall to UBC Staff Finders they will lose their seniority rights.

ARTICLE 35

GRIEVANCE AND ARBITRATION PROCEDURE

35.01 Grievance Committee and Labour Committee

The University shall appoint and maintain a committee to be called the Labour Committee, one member of which shall be designated as Chairperson. The University shall, at all times, keep the Union informed of the individual membership of the Committee.

The Union shall maintain a Grievance Committee, comprising members of the local, one member of which shall be designated as Chairperson. The Union shall, at all times, keep the University informed as to the individual membership of the committee.

The Grievance Committee or its representative shall, as the occasion warrants, meet with the Labour Committee or its representative for the purpose of discussing and negotiating a settlement of any grievance arising between the University and an employee or any dispute arising between the University and the Union.

35.02 Definition of Grievance

For the purpose of this Agreement, grievance shall mean any difference or dispute arising between the parties to this Agreement concerning the interpretation, application, administration, operation or alleged violation of this collective agreement, including any question as to whether a matter is arbitrable, whether between the University and any employee bound by this Agreement or between the University and the Union. Such question or difference shall be settled conclusively in the following manner, except that,

- (A) a grievance involving more than one employee within a department, or a vacation scheduling request, or a grievance arising out of Article 8.03 shall go directly to Step 2;
- (B) a policy grievance, a grievance involving harassment (9.04), a grievance of discharge or suspension, a grievance involving technological, automation and other changes (19), a grievance involving placement (22.10), a reclassification request, or a grievance involving more than one department shall go directly to Step 3.

35.03 Grievance Procedure

All grievances, except those which begin at Step 3, must be initiated within thirty (30) calendar days of occurrence of the action being grieved, or from first knowledge of grounds for a grievance.

- (A) Step 1:
An employee who has a grievance shall first go to her/his supervisor or designate. The employee must be accompanied or represented by her/his steward or other Union representative. The supervisor shall be given an opportunity to answer the complaint verbally.

Failing resolution, the grievor and her/his steward shall present the grievance to the supervisor in writing. After receipt of a written grievance the supervisor shall have five (5) working days in which to present her/his written reply to the steward. Failing settlement, the grievance shall be processed to the next step within the five (5) working days following either receipt of the supervisor's reply or expiry of the above time limit, whichever comes first.

If the supervisor is the department head, Step 2 shall be omitted and the grievance with the supervisor's written reply shall proceed directly to Step 3.
- (B) Step 2:
Step 2 shall commence upon presentation of the grievance to the department head or designate. The department head shall meet with the grievor, the steward and the division steward (or other union representative) in an effort to resolve the grievance. Within five (5) working days after commencement of this step, the department head shall deliver her/his written reply to the steward. Failing settlement, the grievance shall be processed to the next step within the ten (10) working days following either receipt of the department head's reply, or expiry of the above time limit, whichever comes first.
- (C) Step 3:

Upon notification of the University Labour Committee by the Union Grievance Committee of its intention to proceed to Step 3, the parties will have thirty (30) calendar days in which to meet and attempt to resolve the grievance. Following this meeting, the University will have ten (10) working days to respond in writing to the grievance. From receipt of this University response, the Union will have ten (10) working days to signify in writing its intention to invoke the arbitration procedure as set out in Article 35.04.

- (D) **Absence from Work**
By arrangement with her/his supervisor, an employee shall be permitted the necessary time off without loss of pay and benefits to attend to the adjustment of a grievance and may be present at any step in the grievance or arbitration procedure if so requested by either party.

35.04 Arbitration

- (A) If arbitration was invoked in accordance with Step 3 of the Grievance Procedure, then the grieving party may refer the difference to arbitration for final and binding settlement. When such a referral is made, the parties will agree on a single arbitrator within five (5) working days after an unsuccessful discussion. Failing agreement, either party may request the Minister of Labour to make the appointment.
- (B) The parties shall make every effort to ensure the speedy dispatch of arbitration cases.
- (C) The Arbitrator shall issue her/his award within thirty (30) working days of the conclusion of the hearing. If the arbitrator fails to deliver a decision within this time limit, the parties shall make an immediate joint request to the arbitrator for prompt delivery of a decision.
- (D) The Arbitrator shall conclusively settle the dispute, and her/his decision shall be binding on both parties.
- (E) Both parties to the Arbitration shall pay for all their own expenses and one-half of the expenses of the Arbitrator.
- (F) The Arbitrator shall not make any award or decision contrary to the conditions or articles of this Agreement, or in amendment to this Agreement.

35.05 Time Limits

The time limits prescribed for the performance of any act in this Article may be extended by mutual consent of the parties and it is understood that all periods prescribed fall within the working week.

35.06 Previous Collective Agreements

All grievances which, at the date of signing of this Collective Agreement, are in process under the Grievance Procedure set out in a previous Collective Agreement, shall continue to be processed without interruption under the terms of said Grievance Procedure, with the understanding that such grievances continue to be grievances of alleged violations of such previous Collective Agreement.

 - (a) Members of either CUPE Local 116 or 2950 whose regular position at the University is based outside of the Chan Centre, shall, when assigned work at the Chan Centre be fully covered by all terms and conditions of their respective collective agreements except as otherwise expressly provided for in Letters of Understanding between the respective Local, the University and the employee(s) concerned.

In any other circumstances, if the Union has an objection, it shall be dealt with in accordance with the provisions of item (g).
 - (g) Where one or more of the Parties has a concern regarding the interpretation, application, or administration of this article including an objection pursuant to section (f), they shall notify the designated representative(s) of the other parties in writing. Such notice shall set out the concern or objection and resolution sought. Parties receiving such notice shall reply in writing within five (5) working days indicating their position. Where none of the parties concerned object to the resolution, it shall be confirmed in writing. Where the resolution is not acceptable, a meeting shall be held within a further ten (10) working days to resolve the matter. If the matter is not resolved at the meeting or where mutually agreed at some later time, it shall be referred to Mr. Mark Brown, **or if he is not available, Robert Pেকেles** who shall act as an umpire with the sole jurisdiction to expeditiously resolve the matter.
 - (h) In recognition of our mutual interest in the success of the Chan Centre and successful Productions and Events, it is understood and agreed between the Parties that any disputes, including jurisdictional disputes shall be referred to the process set out in section (g). LETTER OF AGREEMENT

RE: ARTICLE 5.05 CONTRACTING OUT

Attached hereto is a protocol which establishes a consultation and umpire process to discuss and adjudicate matters arising within the frame of Article 5.05 (Contracting Out) of the collective agreement. However, in addition to the attached protocol, and apart from it, the parties agree to the following:

1. During the term of the collective agreement, the parties will constitute a senior joint committee to discuss in good faith their respective concerns regarding contracting out, and to make every reasonable and timely effort to constructively address those concerns. It is understood that this paragraph may be implemented in the context of the parties' other Letter of Agreement re: Facilitated Discussions. Mark Brown or Robert Pekeles, acting in his capacity as Special Mediator, shall facilitate discussions between the parties regarding issues of mutual concern and/or issues consistent with the goal of improving labour management relations.
2. Notwithstanding the attached protocol, and irrespective of Article 5.05, where the University has given the Union notice of an intended contracting out, either party may elect to have the matter discussed and dealt with under the terms of this paragraph. In that event, it is agreed between the parties that the matter will be addressed solely on the basis of reasonableness. That is to say, the University and the Union may agree (without prejudice or precedent) to the contracting out or contracting in of a particular project, work or service; and the University and the Union further agree that neither of them will withhold agreement unreasonably. It is further agreed that Mark Brown or Robert Pekeles (or if they are unavailable, another umpire to which the parties shall agree within one business day after an unsuccessful discussion) has exclusive jurisdiction to resolve any differences between the parties arising from the operation of this paragraph including the test of reasonableness; further, that the exercise of such

jurisdiction in relations of the test of reasonableness shall be notwithstanding the terms of the collective agreement. Decisions made by the umpire (or another umpire) under this paragraph shall be on an expedited basis, in accordance with procedures established by the umpire and may include hearings by conference telephone call.

PROTOCOL

Consultation - Contracting Out

1. The parties agree to establish a contracting out committee. The committee will be comprised of three (3) persons representing the University and three (3) persons representing the Union. Each party shall designate a co-chair.
2. The contracting out committee shall meet on a date which shall be established by the committee following the University's written notification of intent to contract out or upon request by the Union. After one (1) year, or sooner if by agreement between the University and the Union, the committee shall determine the need for regularly scheduled meetings in addition to these.
3. Not less than five (5) working days prior to each committee meeting, the University shall deliver to the Union in writing, by fax, e-mail or courier, its notice and pertinent information about work or services which it intends to contract out.
4. Not less than two (2) working days prior to each committee meeting, the Union shall deliver to the University and the members of the contracting out committee in writing, by fax, e-mail or courier, its request for information about matters requiring the committee's attention. The co-chairs of the committee shall then confirm with each other the upcoming agenda.
5. All pertinent information will be submitted to the committee no later than the start of the scheduled meeting, unless, in the course of the discussion, the University and Union agree that additional information is reasonably necessary for further but still timely discussion.
6. The committee shall use its best and most timely efforts to resolve any issue or dispute arising from matters referred to it. The following conditions shall apply with respect to the committee meetings:
 - (a) all discussions will be without prejudice, and
 - (b) the outcome will go on record.

If agreement is reached, this agreement is binding and will be implemented, and the matter will be considered resolved.

7. Any matters not resolved by the committee shall be referred to the contracting out umpire who shall expeditiously decide the matter and whose decision shall be final and binding. Notwithstanding the grievance and arbitration provisions of the collective agreement, the umpire shall have the jurisdiction to interpret and apply the contracting out provisions of this letter of agreement. For clarity, the jurisdiction of the umpire includes the adjudication of an allegation by the Union that the University has wrongly failed to give notice of a contracting out. In the event of such allegations, the matter will be discussed by the committee under paragraph 5 of this protocol prior to being referred to the umpire under this paragraph.

The umpire may determine her/his own procedures which shall be appropriate to the nature of the issue, with the aim of the promptest possible ruling. Fees and expenses of the umpire shall be shared by both parties.

The umpire shall be Mark Brown or Robert Pekeles or if they are unavailable, another umpire to which the parties shall agree within one (1) working day after a meeting in which a matter is not resolved.

LETTER OF AGREEMENT

RE: ARTICLE 13.01
OFFICIAL UNIVERSITY CLOSURE

Where severe snow conditions require decisions regarding staffing levels and Article 13.01, the following procedures will apply:

Notification procedures shall be established by each department which will include contingency plans in the event phone services are disrupted and/or recorded phone messages cannot be accessed. The department head will be responsible for establishing the content of the notification.

The notification will include whether there is a curtailment of non-vital services and/or the cancellation of classes. In the event of such curtailment and/or cancellation, it will include what operationally vital services will be continued and require the presence of predesignated operationally vital employees. In addition to persons predesignated, the department head may identify additional positions/functions based on operational requirements at the time of the snow (for example, exams and special conferences).

Departments shall advance to Human Resources and the Union their list of predesignated vital positions/functions not later than May 30, 1997. It is understood that subsequent changes, if any, will be forwarded in a timely fashion. It is understood that some departments, although generally vital to the University and its operation, may not have for "severe snow conditions" predesignated positions/functions. Departments, that in the event of severe snow conditions have vital positions/functions not predesignated and/or that designate additional positions/functions as per paragraph 3 above shall forward a list of same with detailed explanation to the Human Resources Department and the Union within 10 days following the snow conditions end.

In deciding as to whether or not a curtailment or cancellation will affect any department, the department will base its decision on the following:

- the President's (or delegates') decision about the cancellation of classes and/or the curtailment of non-vital services
- the operational requirements of the department
- the safety of employees travelling to and from work and at work
- what other departments are doing
- availability of public transportation.

Curtailment of operationally non-vital services shall constitute a closure pursuant to Article 13.01 of the collective agreement and all employees normally required to attend work for that time will receive their normal salary subject to Article 13.01.

This procedure supersedes all University policies.

Should a dispute arise concerning the application, administration or interpretation of the mediated settlement it shall be immediately referred for expedited resolution to John Sanderson. In the event John Sanderson is not available, Robert Pেকেles or another mutually agreed arbitrator shall be used.

- (B) The two representatives and the employee shall commit themselves to **identifying** work for the laid off employee which is acceptable to the employee, in which she or he is likely to succeed.
- (C) Where potential job matches are identified, Human Resources will notify the affected department(s), asking them to forthwith arrange to meet with the employee.

LETTER OF AGREEMENT

**RE: ARTICLE 30.06 (C)
MEDICAL AND DENTAL APPOINTMENTS**

It is understood and agreed that:

Employees are entitled to 3.5 hours per month for use for medical or dental appointments. Employees may use the 3.5 hours if necessary all at one time, or in pieces (eg. three one-hour parcels at the end of the working day).

On average employees will not use more than 3.5 hours in a month for the purpose of medical appointments. When an employee exceeds 3.5 hours for this purpose, then the University will average usage over the twelve months immediately preceding the current month; if the employee has not averaged 3.5 hours over the previous 12 months, then additional time for appointments is available to the employee up to the maximum potential usage of 42 hours. By referencing the moving average over the twelve most recent months, employees are able to 'wipe out' months of high usage systematically. If the employee's usage exceeds 42 hours, then payment for the medical appointment is deducted from the employee's accumulated sick leave bank.

If the bank has run out, then the **payment** for the time will be deducted from the employee's next **regular scheduled pay**.

LETTER OF AGREEMENT

**RE: ARTICLE 30.07
MATERNITY LEAVE**

At the option of the employee, during the term of this collective agreement, the following procedure shall apply.

The employee shall opt for Plan A or Plan B, but not both:

1. Plan A is the benefit as described in Article 30.07(F).
2. Plan B is a Supplemental Employment Benefit (SEB) as described herein. The object of the SEB Plan is to supplement employment insurance benefits during a period of unemployment due to pregnancy or adoption.
3. The benefit level paid under Plan B is 95% of the employee's regular weekly earnings; the University will pay the difference between 95% of the employee's regular weekly earnings and the amount of EI received by the employee.

In any week, the total amount of SEB payments and the weekly rate of EI benefits will not exceed 95% of the employee's regular weekly earnings.
4. During the maternity leave, the SEB benefit will be paid for a total of seventeen (17) weeks for pregnancy [fifteen (15) weeks plus two (2) week EI waiting period].
5. Employees must prove that they have applied for and are in receipt of employment insurance benefits in order to receive payment under the plan. The University will verify the receipt of EI benefits by requiring the employees to submit EI cheque stubs.
6. Employees do not have the right to SEB payments except for supplementation of EI benefits for the unemployment period as specified in the plan.
7. The employee's share of benefit plan premiums/contributions during the period of the maternity leave shall be deducted from the amount paid to the employee by the University under the provisions of the SEB Plan.
8. Any period of leave of absence beyond the periods specified in (4) above shall be without pay, and the employee shall be responsible for the prepayment of her/his share of benefit plan premiums/contributions in accordance with Articles 30.01(D) and 30.07(F).
9. Upon return to work after maternity leave and, where applicable, any additional leave of absence without pay, and where the employee has opted for Plan B, the University will pay to the employee 5% of her/his monthly salary for the first two (2) weeks of the leave and for the period of time Employment Insurance benefits were received.
10. Notwithstanding the provisions of Article 1.01, the employee shall make a written agreement with the University on a form (a copy of which is attached and forms part of this Letter of Agreement) which shall be signed by the employee in the presence of a shop steward or other representative of the Union and which provides the following:
 - (A) The employee shall make a commitment to return to work at the end of the maternity leave and, where applicable, any additional leave of absence without pay.
 - (B) The employee shall agree to repay the University the gross benefit paid to the employee during the first two weeks of the maternity leave and the gross benefit difference which was paid to the employee for balance of the maternity, including the employee's share of the benefit plan premiums/contributions which were deducted during the maternity leave, if she/he fails to return to work, or resigns or is dismissed for just cause within six (6) months of return to work.
11. If the employee refuses to make an agreement under (10) above, or chooses not to exercise the option established in this Letter of Agreement, the provisions of Plan A shall apply.

understanding of my obligations, make the following agreement with the University of British Columbia.

I agree that 95% of my maternity leave salary differential be paid to me during my leave of absence and the remaining 5% of my maternity leave salary differential be paid to me upon my return to work, rather than after completing six (6) months service following my leave of absence, and I agree to return to work and remain at work for a minimum of six (6) months. If I return on a part-time basis, I am obligated to fulfill the full-time equivalent ("FTE") of 6 months work in order to retain the SEB payments I received. Should I fail to return to work, or having returned to work should I fail to complete six (6) months of service (or the FTE in the case of part-time work), or if I resign, or if I am dismissed for just cause within six (6) months of my return to work, or having returned to part-time work I am dismissed for just cause before I complete the FTE of 6 months work, I agree to repay the University the full amount of SEB received, and I understand that under no circumstances will this repayment be pro-rated. I understand that if I do not make the required repayment I will be subject to legal action initiated by the University to regain such payments. LETTER OF AGREEMENT

RE: BARGAINING UNIT JURISDICTION DISPUTE RESOLUTION PROCESS

To ensure the parties' commitment to fully and finally settle all aspects of the ongoing jurisdictional dispute between them and in order to mitigate the cost, delay and labour relations impact of an application to Section 139 of the Labour Relations Code, Don Munroe issued an award dated April 25, 2005 to establish a dispute resolution mechanism to finally and conclusively settle issues regarding bargaining unit jurisdiction issues as may from time to time arise between the parties.

In the exercise of the jurisdiction conferred on Don Munroe by the parties, he awarded a document headed "Bargaining Unit Jurisdiction Dispute Mechanism" including appendices "A", "B" and "C" thereto. The parties shall be bound by the attachments according to the terms thereof.

Scope:

Effective February 7, 2005, and from this day forward, the Union may challenge any proposed new M&P positions or reposted M&P positions, whether or not the reposting involves a change in job duties. In addition, the Union may challenge from this day forward any new non-bargaining unit positions to determine whether the said new or reposted positions are properly included or excluded from the bargaining unit. It is understood that the process described in this document is intended as a summary process for the resolution of jurisdiction issues in the context of the Union's existing bargaining agency; it is not intended as a process for the resolution of disputes about the general contours of the Union's bargaining agency.

M&P positions created from January 1998 to April 25, 2005 are not material evidence of the jurisdiction of the bargaining unit.

Without limiting the generality of the foregoing, the M&P status of the said post 1998 to 2005 positions shall not prejudice any argument the Union may advance to the effect that relevantly similar positions are properly included in the bargaining unit.

Process:

1. Where the University reclassifies an existing bargaining unit position to another employee group, it shall notify the Union. The University shall also provide the Union a copy of the relevant position description and organizational chart.
2. If the Union elects to dispute the University's decision to exclude a position from this bargaining unit, it shall notify the University in writing within ten (10) working days of receiving notice of reclassification or ten (10) working days of the disputed position being posted or reposted.
3. Following receipt of the notification of the Union's dispute, the parties shall meet within ten (10) working days and attempt, in good faith, to reach agreement. Prior to the meeting, the Union will provide the employer with reasons for the challenge.
4. All discussions shall be without prejudice. If agreement is reached, it shall be committed to writing and signed by the parties. Any agreement so executed shall be final and binding.
5. If the parties cannot agree, all outstanding matters shall be referred forthwith to the Jurisdiction Umpire whose decision shall be final and binding.

It is the aim of this provision that a challenge referred to the Umpire shall be heard and decided promptly.

Accordingly, the Umpire shall establish his/her own procedure which in any instance, may include hearings by conference telephone call, submissions by fax or any other procedure deemed appropriate by the Umpire.

6. In reaching a decision, the Umpire shall refer to the following documents:
 - a) The Union's certification;
 - b) The Collective Agreement;
 - c) The applicable provisions of the Labour Relations Code and the decisions of the Labour Relations Board pursuant thereto;
 - d) Applicable arbitral jurisprudence
 - e) The appropriate communities of interest, including the practices of the Parties, and the relationship between the core duties and qualifications of the disputed position and existing positions within the bargaining unit and existing positions outside of the bargaining unit.
7. Notwithstanding Article 35 of the Collective Agreement (Grievance and Arbitration Procedure), the Umpire shall have exclusive jurisdiction to interpret and apply the provisions of the April 25, 2005 award and all appendices.
8. Fees and expenses shall be shared by the parties.
9. The Jurisdiction Umpire shall be Mark Brown. In the event Mr. Brown is not available the parties shall agree upon another umpire within five (5) working days.
10. This agreement shall continue in force during the term of the collective agreement and may thereafter be renewed by agreement of the parties.

If any discrepancy exists between the interpretation or application of this Letter of Agreement and Don Munroe's award dated April 25, 2005, the award shall apply.

LETTER OF AGREEMENT

RE: ECONOMIC STABILITY DIVIDEND

Definitions

1. In this Letter of Agreement:

"Collective agreement year" means each twelve (12) month period commencing on the first day of the renewed collective agreement. For example, the collective agreement year for a collective agreement that commences on April 1, 2014 is April 1, 2014 to March 31, 2015 and each period from April 1 to March 31 for the term of the collective agreement.

"Economic Forecast Council" means the Economic Forecast Council appointed under s. 4 of the Budget Transparency and Accountability Act, [S.B.C. 2000] c. 23;

"Forecast GDP" means the average forecast for British Columbia's real GDP growth made by the Economic Forecast Council and as reported in the annual February budget of the government;

"Fiscal year" means the fiscal year of the government as defined in the Financial Administration Act [1996 S.B.C.] c. 138 as 'the period from April in one year to March 31 in the next year';

"Calendar year" Is a twelve (12) month period starting January 1st and ending December 31st of the same year based upon the Gregorian calendar;

"GDP" or "Gross Domestic Produce" for the purposes of this LOA means the expenditure side value of all goods and services produced in British Columbia for a given year as stated in the BC Economic Accounts;

“GWI” or “General Wage Increase” means a general wage increase resulting from the formula set out in this LOA and applied as a percentage increase to all wage rates in the collective agreement on the first pay day after the commencement of the eleventh (11th) month in a collective agreement year;

“Real GDP” means the GDP for the previous fiscal year expressed in constant dollars and adjusted for inflation produced by Statistics Canada’s Provincial and Territorial Gross Domestic Product by Income and by Expenditure Accounts (also known as the provincial and territorial economic accounts) and published as “Real Gross Domestic Product at Market Prices” currently in November of each year.

The Economic Stability Dividend

2. The Economic Stability Dividend shares the benefits of economic growth between employees in the public sector and the Province contingent on growth in BC’s real GDP.

3. Employees will receive a general wage increase (GWI) equal to one-half (1/2) of any percentage gain in real GDP above the forecast of the Economic Forecast Council for the relevant calendar year.

4. For greater clarity and as an example only, if real GDP were one percent (1%) above forecast real GDP then employees would be entitled to a GWI of one-half of one percent (0.5%).

Annual Calculation and publication of the Economic Stability Dividend

5. The Economic Stability Dividend will be calculated on an annual basis by the Minister of Finance for each collective agreement year commencing in 2015/16 to 2018/2019 and published through the PSEC Secretariat.

6. The timing in each calendar year will be as follows:

- (i) February Budget — Forecast GDP for the upcoming calendar year;
- (ii) November of the following calendar year — Real GDP published for the previous calendar year;
- (iii) November - Calculation by the Minister of Finance of fifty percent (50%) of the difference between the Forecast GDP and the Real GDP for the previous calendar year;
- (iv) Advice from the PSEC Secretariat to employers’ associations, employers and unions of the percentage allowable General Wage Increase, if any, for each bargaining unit or group with authorization to employers to implement the Economic Growth Dividend.

7. For greater clarity and as an example only:

For collective agreement year 3 (2016/17):

- (i) February 2015 — Forecast GDP for calendar 2015;
- (ii) November 2016— Real GDP published for calendar 2015;
- (iii) November 2016 - Calculation of the fifty percent (50%) of the difference between the 2015 Forecast GDP and the 2015 Real GDP by the Minister of Finance through the PSEC Secretariat;
- (iv) Direction from the PSEC Secretariat to employers’ associations, employers and unions of the percentage allowable General Wage Increase, if any, for each bargaining unit or group with authorization to employers to implement the Economic Growth Dividend
- (v) Payment will be made concurrent with the General Wage Increases on the first pay period after respectively February 1, 2016, February 1, 2017, February 1, 2018 and February 1, 2019.

Availability of the Economic Stability Dividend

8. The Economic Stability Dividend will be provided for each of the following collective agreement years: 2015/16 (based on 2014 GDP); 2016/17 (based on 2015 GDP); 2017/18 (based on 2016 GDP); and, 2018/19 (based on 2017 GDP).

Allowable Method of Payment of the Economic Stability Dividend

9. The Economic Stability Dividend will be applied as a percentage increase only on salaries, and will not be applied in any other purpose or form.

LETTER OF UNDERSTANDING

**RE: ARTICLE 22.01 & 22.07
JOB POSTINGS & TEMPORARY TRANSFER AND PROMOTIONS**

Whereas article 22.01 provides that "...All vacancies of three (3) months or more duration shall be posted, with the exception of Leave of Absence, including Maternity Leave, which may be filled by temporary promotion under Article 22.07..."

And, whereas article 22.07 provides that:

"An employee, who, on the request of the Department Head, agrees to temporarily perform the principle duties of a higher paying position, shall be paid at the first step of the new pay grade which provides an increase of at least fifty dollars (\$50.00).

Temporary promotion shall be for a maximum of six months, with the exception of a temporary promotion resulting from a leave of absence, including maternity leave. Extensions to such temporary promotions, except those resulting from a leave of absence, including maternity leave, shall be by mutual agreement between the parties.

To accept or refuse a temporary promotion shall be the employee's choice."

And, whereas the parties are interested in exploring an expansion of this provision to allow a department to request and accept a temporary transfer and promotion of a Staff Finder's employee to backfill a recognized Leave of Absence, including Maternity Leave, Parental Leave, or Adoption Leave position.

Therefore, without prejudice or precedent to any similar matter, and on a trial basis, the parties agree to allow a department to request and accept a temporary transfer and/or promotion of a Staff Finder's employees to fill a vacancy resulting from a recognized Leave of Absence, including Maternity Leave, Parental Leave or Adoption Leave. The temporary transfer and promotion (from their base rate) is agreeable, provided the following occurs:

1. Staff Finders has a candidate on its roster that it deems suitable for the temporary transfer and promotion;
2. The candidate employee accepts the temporary transfer and promotion;
3. If the candidate employee accepting the temporary transfer and promotion has yet to complete their probationary period of 66 days worked, the employee may commence the assignment as a Staff Finders employee and upon successful completion of the probation period be temporary transferred and promoted to the position;
4. At the end of the temporary transfer and promotion, the employee shall be returned to the Staff Finders' roster and be placed in his/her former position (Base rate of HR Admin Clerk 1); and,
5. The employee's seniority shall accrue during the temporary transfer and promotion.

Either party may serve the other party sixty (60) days' notice to end this Letter of Understanding. If such notice is served, the application of articles 22.01 and 22.07 would revert back to the practice in place prior to the signing of this LOU.

LETTER OF UNDERSTANDING

**RE: ARTICLE 30.08
PAID LEAVE (CHRISTMAS)**

Whereas, article 30.08 states: "all employee who are normally scheduled to work shall be granted three (3) days leave of absence with pay to be taken between Boxing Day and New Year's Day unless they are required to work for operational reasons. Such employees shall be paid at straight time and granted three paid leave of absence days at some other mutually agreeable time. It is understood that the University will not introduce new seasonal layoffs to avoid this benefit."

And whereas as a result of a dispute between the parties about the application of the above, Don Munroe declared and awarded on November 28, 1997 that "...an hourly LTO employee is entitled to the Christmas leave benefit where she is replacing an actual incumbent employee who is on leave from her incumbent position (due to maternity, illness,

vacation, etc.), and who would herself have been “normally scheduled to work” during the Christmas Period had she not been on such leave; but not otherwise.”

And whereas the parties are presently interested in testing a more straightforward application of this benefit that would provide a broader application of the benefit to Staff Finders employees;

Therefore, without prejudice or precedent to any similar matter, and on a trial basis, the parties agree that Staff Finder’s hourly (LTO) employees who are normally eligible for benefits will be eligible for the three days leave of absence with pay as follows;

1. The employee has completed his or her probation on or before the first of December;
2. The employee has worked on at least 15 of the 30 days before Christmas Day, and is in an assignment which continues to Christmas Day, and resumes again on the day following New Year’s Day. This includes any concurrent assignments without a break in service that achieve the same service continuity. For clarity, this includes an assignment that ends December 24, and a concurrent assignment that begin on the first workday following New Year’s Day;
3. The three days leave of absence with pay benefit will be paid at the employee’s base rate (HR Admin Clerk 1, or as otherwise set), as opposed to the rate of their current assignment; and,
4. If a department requests of Staff Finders to assign a Staff Finders employee to work during the three days between Boxing Day and New Year’s Day for operational reasons, the employee in that assignment will be given the option to accept working on the assignment and receive the rate of pay for the assigned work in addition to their base rate pay for the three days, or decline the offer and take the three days off at their base rate. If the employee declines, Staff Finders will offer the assignment to another Staff Finders employee on the same condition.

Either party may serve the other party sixty (60) days’ notice to end this Letter of Understanding. If such notice is served, the application of article 30.08 would revert back to the practice in place prior to the signing of this LOU.

There will be a minimum of ten (10) consecutive hours off duty between the completion of one (1) work shift and the beginning of the next. This may vary upon the mutual consent of the employee and the supervisor concerned.

- (d) **Scheduling Provisions**
Shift change - The employer will notify an employee of a shift change no later than twenty-four (24) hours prior to the assigned shift. In the event that a shift is changed with less than twenty-four (24) hours notice and results in a shift of shorter duration than was originally scheduled, the employee shall be paid based on the original scheduled shift.
Shift cancellation - The employer will notify an employee of a shift cancellation no later than forty-eight (48) hours prior to the assigned shift. In the event an employee is unable to take their relief period due to operational requirements, the unused paid relief time shall be added to the total hours worked for pay purposes. Overtime rates shall be applicable for the portion of the shift that exceeds 8 hours only. The appending of this time to the end of a shift will not cause a meal penalty.
- (c) Third and subsequent meal periods on a shift shall be paid at the applicable overtime rate.
- (d) Where a meal period occurs near the end of a shift an employee may request to work through the end of a shift and leave work. In cases where the meal break is a paid break then the paid break shall be added at the end of the shift. Approval of such requests shall not result in a meal penalty.
- (e) An employee's relief period may be combined with a meal period or another relief period by mutual agreement between the employee and the manager. Such combination is not to be used to shorten an employee's regular work day.

28.03 Split Shifts

In such instances a Record of Employment (ROE) will be issued.

32.05 Seniority List

A current seniority list for the end of the preceding month shall be posted and sent to the Union office every second calendar month. For the purposes of seniority, the Chan Centre shall have **three** seniority units: one for Production, **one for** Ticket Office, and one for Front of House.

32.06 Rosters

University employees may apply for work at the Chan Centre. If accepted, any seniority earned in other University departments does not apply to the Chan Centre roster. These employees will be placed on the roster based on date/time of their Chan Centre interview. University employees who work at the Chan Centre have an obligation to advise their department manager of such work, and shall not accept any shifts at the Chan Centre that would put them into overtime without first advising both their department and Chan management.
